11 Years of experience

Professional Bio:

Shantanu is a results-oriented operations professional with over 10 years of experience across Finance, Procurement, Logistics, Administration, and HR. He has a demonstrated track record of success in leading cross-functional teams, streamlining workflows, and managing end-to-end project lifecycles—from initiation to closure. Shantanu is adept at optimizing operations, ensuring regulatory and policy compliance, and driving continuous improvement in fast-paced environments. He is now seeking to add value to a results-driven organization committed to operational excellence.
